Radio 16 Newcastle is also syndicated through the Hume Travel FM Radio Network which reaches 4,612,771 persons in South Eastern Australia per year.

The Hume Travel Radio Network has Audience fed from five sources:

NSW FM Broadcast area population 320,817 (Source Australian Bureau Statistics)

VIC FM Broadcast area population 459,454 (Source Australian Bureau Statistics)

Hume Hwy Averaging 3,832,500 vehicles PA (Source NSW RTA Traffic Volume Data)

The **Primary Demographic** is male/female 40 – 52 with a median target of 45. The music format is Country Rock which blends modern country music with sixties, seventies and eighties CHR.

Our **Secondary demographic** is female cultural Tourists aged 19 to 29 with a median target of 26. A cultural Tourist is generally an Australian Citizen who holidays by car domestically experiencing sites of Cultural or Historical significance and attending festivals and other events.

Our **Third Demographic** is male commercial travellers aged 35 to 52 with a median target of 45. We define Commercial travellers as people who make frequent (at least weekly) trips on the highway of a distance of 50km or more. This includes primarily Truck and coach drivers and those who travel on a daily basis to different sites of work such as Tradesman. It can also less regularly include Emergency Service personnel and Taxi drivers.
